Who You Will Find

Meet a few of the voices in the Index.

CONTENT & BRAND PARTNERSHIPS

Jessica Cunningham

Military spouse creator, one half of The CAPT + Jess. The duo's past partners include OpenAI, FOXONE and NFCU.

MILITARY SPOUSE & FAMILY

Maria Mendez Reed VERIFIED

Co-creator and co-host of Moving With The Military, a home makeover series for military families.

SPEAKING & LEADERSHIP

Jason R. Trudell

Retired Army captain, veteran transition speaker, Vet Nation CEO and podcast host.

FILM, WRITING & MEDIA

Chris McPhee VERIFIED

Retired Green Beret, photographer and filmmaker. Directed a documentary series on unsung special-operations veterans.

Find Talent For

Content	Social video, user-generated content, articles
Campaigns	Sponsored content and brand partnerships
Events	Speakers, hosts, panelists
Conversations	Podcast guests and subject-matter experts

Collaboration types represented in the directory. Each creator sets what they are open to.

Find Your Fit

Search by expertise, platform, audience size, location and collaboration interests.

Instagram · TikTok · YouTube · Facebook · LinkedIn · X · Podcasts

Audience figures are dated and shown separately for each platform.

How It Works

1 Discover talent → 2 Build a shortlist → 3 Send your brief

The MIC Index team reviews your request and facilitates introductions when creators agree.

Creator participation is subject to interest and availability. Rates and terms are agreed directly with the creator. Verified marks profiles whose identity and military connection the team has confirmed.
